

## FOR IMMEDIATE RELEASE:

### **Magellan's Law Corporation Bundles FileMaker Pro 11**

*San Antonio, TX - March 9, 2010* - Magellan's Law Corporation announced today that it will bundle the new FileMaker Pro® 11 database software with the company's *qd documents*™ Professional Discovery Edition application.

As a result of the bundling, customers who purchase the *qd documents* software will receive the new FileMaker Pro 11 software at no charge.

FileMaker Incorporated (FMI) announced the FileMaker Pro 11 release earlier today.

"This is a great way for lawyers to get a copy of the new FileMaker Pro 11 software," said Jim Feuerstein, a principal of Magellan's Law Corporation and the designer of the *qd documents* application. "When you purchase a copy of the *qd documents* software, you'll get a full copy of the new FileMaker Pro 11 database software for free."

"The new FileMaker Pro software is just now becoming publicly available," Feuerstein said. "It will take us a few days to incorporate the new release into our installer, but beginning today, anyone who purchases the *qd documents* software will be receiving FileMaker Pro 11 as part of the purchase."

Magellan's Law Corporation is a software and services company that specializes in tools and consulting services for litigators. The *qd documents* Professional Discovery Edition software is a database for managing, organizing and analyzing discovery materials. It is available in both standalone and workgroup versions.
